4. Analysis

Virgo and Gemini are your Ascendant Sign and Moon sign respectively. Analyzing your birth chart, the transiting Rahu will get positioned in the 10th house from your Ascendant House and in your Moon sign. The 1st house indicates self, appearance; character etc while the 10th house indicates social status, profession, paternal relatives etc. Similarly, the transiting Ketu will position himself in the 4th House from your Ascendant Sign and 7th house from your Moon sign. The 4th house indicates mother, comforts and vehicles whereas the 7th house indicates life partner, business prospects and partnership deals.

5. Inference

You would naturally possess leadership quality and dynamism. With this in-born nature, you will love to connect more with people during the above mentioned transitory period of the nodal planets. Being a sincere person that you are, you will be loyal, especially to those who are closely associated with you and this quality will make you go any extent in order to making them happy. On the flip side you will expect the same from them. But, most of the times, the reciprocation from the other end would not meet your expectations leaving you frustrated. You will expect recognition for all your actions but you will face disappointment and this may hurt you. Because of which you may withdraw yourself from your loved ones. As Rahu is moving into your ascendant sign it can trigger a sharp ego which could spoil your relationship with everybody. Especially you have to be careful while dealing with higher officials. Emotional ups and downs can be expected when dealing with spouse, friends, relatives or neighbors. Non-

cooperation from the family members is expected in this period and it could be difficult for you to manage them. This could also affect your professional life. Being aware of your ego and temper, less expectation from others will help you to maintain good relationship with all in this period. Chances of disputes with family members could arise regarding the sale of a property. You need to be very diplomatic in order to handle the issue in your favor. Else you may not end up have the deal in smooth manner and lose some money. So it is advised to decide clearly while making such property related deals.
