Purpose of the Report:

The purpose of this report is to evaluate the effect of Jupiter in the Natural Zodiac with respect to your own birth chart and thus to analyze the favorable and non-favorable points. The report period extends for 1 year from now.

Basic Nature Jupiter:

Jupiter is an ethereal, noble, benevolent, masculine, expansive, optimistic, positive and dignified planet. He gives the ability and the power of right judgments. He is virtuous, good natured, has phlegmatic temperament, and presides over brain, education and progeny. He is the natural benefic planet. He also indicates one's previous Karma balance.

The factors considered for Astrological Analysis:

Position of Jupiter:

As per your birth chart, you have Aries as your ascendant and Aquarius as your Moon sign. The benevolent Jupiter is moving to the 11th house from the Moon and 9th house from your Ascendant. The 9th house specifies fortunes, luck and inclination towards spirituality.

Considering all the above astrological facts, the general tendency of this period is given as follows:

Jupiter's transit to the 3rd house is considered favorable. This brings the onset of auspicious occasions in the family. This position or entry of Jupiter to the house of fortunes is said to shower prosperity. Auspicious events and occasions would come one after the other. You would be lucky in your endeavors and there would be growth and prosperity from all walks of life. Spiritual progress along with pious qualities would get elevated.
