Thursday, October 15, 2020

Purpose of the Report:

The purpose of this report is to evaluate the effect of Jupiter in the Natural Zodiac with respect to your own birth chart and thus to analyze the favorable and non-favorable points. The report period extends for 1 year from now.

Basic Nature Jupiter:

Jupiter is an ethereal, noble, benevolent, masculine, expansive, optimistic, positive and dignified planet. He gives the ability and the power of right judgments. He is virtuous, good natured, has phlegmatic temperament, and presides over brain, education and progeny. He is the natural benefic planet. He also indicates one's previous Karma balance.

The factors considered for Astrological Analysis:

Position of Jupiter:

As per your birth chart, you have Aries as your ascendant and Aquarius as your Moon sign. The benevolent Jupiter is moving to the 12th house from the Moon and 10th house from your Ascendant. The 10th house is the House of profession and basically deals with all the activities one does for a living.

Considering all the above astrological facts, the general tendency of this period is given as follows:

Jupiter's transit is going to be a moderate transit for you. You will receive opportunities but, only some of them only will get fulfilled. You should monitor on expenditure which may go out of your budget . You may face some problems and disappointments in personal life. Your capabilities and dedication may not give desired growth in work, keep patience and continue your efforts.
