Analysis:

Rahu transits to your Moon sign Pisces, and aspects the 5th house and the Ascendant. Ketu transits the 9th house of knowledge, religion and higher learning.

Inference:

This transit of Rahu and Ketu highlight money matters and higher learning matters as well. When it comes to money, you are expected to experience further fluctuations, however, the transit of Jupiter will bring support and reduce the fluctuations once you cross the month of November 2024.

The first 9 months of the transit can be extremely challenging and bring a lot of money worries. However, the heightened mental activity can encourage betterment in mental capabilities, and you can use this to your advantage to acquire better mental skills for better jobs.

This transit can indicate some amount of luck only between Dec 2023 and Nov 2024 while Jupiter is also in the picture though it does not mean that you can push your luck. Prosperity levels will go up and will help counter the negative forces of the eclipses. However, delays are expected.

When it comes to saving money, you may experience fluctuations. Income from career is also expected to fluctuate. This transit although focuses on money, it also brings the spotlight to self-development and growth which is going to be very healthy for you and your personality development. Overall, a higher level of prosperity can be expected.

It is indicated that your money is getting spent on others, and you are not even buying “things” as such for a comfortable life as such. You are also advised to avoid spirituality related expenses as the same is indicated through this transit. Spending on family and children is indicated through this transit, you are advised to encourage your family to contribute more towards family expenses, because this transit can be challenging for you in this regard.

Remedies:

- You are advised to perform a Durga fire lab for best results.

Home remedies:

- Steer clear of consuming any non veg foods through this transit as it has a direct bearing on your finances.
